BridgingApps is a community of

- PARENTS
- THERAPISTS
- TEACHERS
- CAREGIVERS and
- PEOPLE WITH DISABILITIES

who share information on how we are using mobile devices to help people who have special needs

As a **COMMUNITY RESOURCE** we provide **ACCESS TO AND TRAINING** for effective use of mobile devices and apps to help children and adults with disabilities:

- REACH their highest levels of physical and cognitive **POTENTIAL**
- INCREASE personal **INDEPENDENCE** and
- ASSIST in the management of their **CARE**.

Given the rising number of apps on the market and the diverse skills of children and adults with special needs:

Our **GOAL** is to provide families, caregivers and professionals with the best resources for **CHOOSING** apps to enhance everyday life for people with disabilities.

BRIDGINGAPPS RESOURCES INCLUDE:

- A **WEBSITE** which houses a custom app **SEARCH ENGINE** and
- A **REVIEW SYSTEM** where apps are reviewed by therapists and special education teachers with a focus on skills - rather than age, diagnosis, or developmental level to improve outcomes for a person with a disability.
