- Hazard Vulnerability Assessment
- End-of-year expenses
- Obligating Funds

## Key Changes for FY16-17

- Mandatory training for fiscal agents
- HHS' Empower Map to help define special and vulnerable populations
- <http://www.phe.gov/empowermap/Pages/default.aspx>

## Assistance and Compliance

- Technical Assistance Visits
- Programmatic Site Visits

## Coalition Resource Management

- ... Is the foundation of successful emergency preparedness planning
- Using Capabilities, AARs, and HVAs to identify resource needs
- Understand the resources available to you
  - Your own agency
  - Partner resources
    - Private business, faith based groups, civic organizations.

### Resource Management

- What resources can you share with coalition members; what are others willing to share with you?
- What resources will you need to go outside of coalition boundaries to obtain?
- What role does County EMA have?
- Resource Management Checklist

### 800 MHz Radio System

- Decommissioning of Iowa's 800MHz radio system
- Alternative communication methods

### Exercises and Training

- Qualifying Exercises
  - Must test capabilities 1, 3, 6, and 10
- NIMS requirements
  - NIMS Compliance Statement
  - Training record
  - NIMSCAST

### QUESTIONS?

Thank you!
